

CHRISTMAS TRANQUILITY

Kathie Widing Oil or Acrylic

Saturday, November 9th from 9:00-4:30 at the Sutton Center

Student's may bring a 11x14" or 16x20" canvas. I will supply patterns for both sizes. Student's may also paint this painting using oils or acrylics, their choice.

In my painting titled 'Christmas Tranquility' I have a Christmas tree in the window but if a student prefers not to make it a Christmas painting they can eliminate the tree, the same goes for the deer. A snowman, wreath, sled, woodpile or anything else could be added instead. In other words, it's your painting and I encourage anyone to add their own details if they choose to do so.
