

## **Kathie Widing Workshop**

### ***Picturesque Christmas***

Saturday, October 17

at the Sutton Center

9 am – 4:30 pm

\$20 members/\$45 nonmembers

Contact Jane Lambert to register

419-341-3427 or [jalamb2@cros.net](mailto:jalamb2@cros.net) or

mail a check payable to PCAC to Jane at 122 Lake Breeze Circle, Marblehead OH 43440

### **Material List**

Brushes - Varied brushes including a Bristol fan brush  
Paints - Various colors including various shades of greens  
Paint palette  
Water basin for acrylics  
Small container for oil medium - There are many oil mediums to choose from. Walnut oil is a good choice, as it's non-toxic, safe and inexpensive.  
11x14" canvas  
Small sea sponge with large holes  
Bring any palette knives you may have  
Wipes - Paper towels  
Transfer paper - pencil  
Seat coverings

### **About the painting**

The painting will be SIMILIAR TO the one shown here. This piece entitled *PICTURESQUE CHRISTMAS* is painted on an 11x14" canvas using acrylics and/or oils. (All acrylics, the scene through the window in acrylics, then the window frame painted in oils or all oils. If painted in oils, the window crossbars and shadows may need to be painted later when the paint has dried.)

### **About the day**

Seating will be arranged so that each student will be seated at least 6 or more feet apart. Masks are required. We are asking each student bring two old T-shirts or towels to cover seat bottom and back. This will make it easier for students to launder their own seat coverings rather than have a member of the club wash all the club's covers.

The Bistro will be open for lunch and, for those that care to eat in the classroom, the Bistro will furnish box lunches.
