

Acrylic Painting with Palette Knives

- Canvas (Notice I chose to use Gallery wrapped canvases on 3 of the paintings. Gallery wrapped means thick sides. These canvases need no frames.)
- Various colors of paint
- Brushes
- Sea sponge (for Cheerful Flowers & Sweet Nectar)
- Water container
- Paint palette
- Paper towels
- Palette knives – Bring what you have. If you don't have any, you may consider buying a cheap beginners set. I will also bring extra.
- **NOTICE !!** On all 3 paintings (except the Cheerful Flowers) I used modeling paste to get the 3-D look. I get it from Amazon, it's rather pricey, but it goes a long way.
- It is not necessary to do modeling paste if you prefer not to use it.
