Alizarin Crimson	Cobalt Blue
Cadmium Red	Ultramarine Blue
Cadmium Orange	Titanium White
Cadmium Yellow	Yellow Ochre
Cadmium Green	Ivory Black
Viridian	

2/3-part Stand Oil and 1/3-part Gamsol

Gamsol is the trade name of 100% pure odorless mineral spirits by Gamblin. Bring a small extra container of Gamsol for cleaning your brushes.

Brushes

Filberts, Sizes: #2, #4, and #8

Canvas

20" x 16" Canvas (no smaller) treated with **Golden Acrylic N6 Neutral Gray Paint**

On pre-stretched pre-primed canvas, apply one to two thin coats of **Golden Acrylic N6 Neutral Gray Paint** diluted with water. The ratio should be 2:1 water to paint.

Apply using a 2- to 3-inch-wide brush. The finished canvas should have a semi-transparent gray finish. Be careful not to apply the paint too thickly. Too thick of a coating will result in a slick surface, making it difficult to apply paints evenly.

Palette & Rags

Wood, glass, or gray paper palette and roll of paper towels (VIVA brand recommended)

Sketch Pad & Vine Charcoal
